THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

City of Prince George, of 1100 Patricia Boulevard, Prince George, B.C., hereby applies for amendment to Appendix 01 of Permit 2557, issued on October 29, 1973, in favour of City of Prince George.

To authorize additional or other works than those previously authorized by deleting that part of sections (a), (d), and (e) of the appendix which read:

- (a) "The discharge of sludge applicable to this appendix is that from the Prince George sewage treatment plant. The sludge disposal site is shown on attached Appendix A."
- (d) "The works authorized are sludge storage basins and spray irrigation works approximately as shown on the attached Appendix A."
- (e) "The land to which the sludge will be discharged and to which this appendix is appurtenant is a site bounded by a line commencing at the N.E. corner of D.L. 950 thence north for 8430 feet, thence west for 5280 feet, thence south westerly for 5620 feet, thence south easterly for 3650 feet to the N.W. corner of D.L. 950 and thence east for 5280 feet to the point of commencement."

and substituting in its place the following:

- (a) "The discharge of wastes applicable to this appendix is that from the City of Prince George sewage-treatment plant; from septic tanks from both private dwellings and commercial outlets; from waste oil/chemicals holding facilities; from both private dwellings and commercial outlets."
- (d) "The works authorized are storage basins and spray irrigation works as according to the following:

(ii) Waste oil/chemical pit to accommodate storage of waste oils/chemicals. The stored contents of this basin will remain separate and not be applied to land. The storage of these wastes is a temporary measure until an acceptable final disposal method is decided upon."

The work to be carried out under this contract consists of the construction complete of a two-span 170-foot bridge with a reinforced-concrete substructure, the pier of which is supported on steel H piles and prestressed-concrete stringers, and a reinforced-concrete deck.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver, B.C. Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Con-

struction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver, B.C. Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.
